Portret Merlot Rară Neagră

GRAPE VARIETY

Merlot | Rară Neagră

HARVEST

The grapes are harvested and selected exclusively by hand.

VINIFICATION

The maceration and fermentation take place in oak vats for a period of 10 days. Fermentation starts spontaneously with the help of native yeasts. The wine matures in steel tanks under controlled conditions of humidity and temperature optimal for wine.

TASTING NOTES

Ruby red colour; aromas of berry fruits and spices; full and harmonious taste, good structure, balanced with good persistence. Soft and pleasant tannins.

FOOD AND WINE PAIRING

Successful match with flavoured first courses, grilled meat and aged cheese.

FORMATS

0,75 L
